Time: Evening 5 – 8pm slots on weekdays, 3-7 pm on weekends.

Venue: Online

Eligibility: The competition is open for all students of Eduprime who have completed at least one level.

Registration date: Before 17th August, 2020. Registrations will not be accepted after last date. On the spot registrations are not allowed. The participant has to register by filling all the necessary details on the registration link sent.

Construction: The participant must use the electronic components from the kits provided them during their levels. No external electronic component can be used in the project. The participants can use external building/construction/stationery materials in their project.

Competition format and rules

- The project can be made on **any topic** using the kits you have from respective levels.
- You can combine kits of multiple levels. But make sure no additional electronic parts are used other than those provided in the kit. This may lead to **disqualification**.
- The project must be an electronically **working model** (not just construction).

- You will have to shoot a video of the project and explain as well about the project. The project video should not be longer than 3 minutes.
- The project will be judged by an external judge and participant will have 5 minutes of interaction (live – online) with the judge on the presentation day. The slots will be given to each participant via whatsapp.
- The project will be displayed online (live working) to the judge. Each participant will have 2 minutes to explain the project to them & rest of the time will be interaction.

- The winner will be selected by the panel on following parameters -
 - Innovation
 - Creativity
 - Presentation
 - Working

- The decisions made by the judge & organising team will be final and will not be changed in any case.
- The competition will have winners from 5 categories i.e. Level 1, Level 2, Level 3, Level 4, Level 5. The categories are explained in the '**FAQ**' section.
- The participant will be allotted in one of the categories and it will not be changed in any case.

Frequently asked questions (FAQ)

Q1. How a category is allotted to a participant?

A: It depends on the project made by the participant. If a participant has made a level 2 project, then he/she will be in level 2 category.

Note: The participants who have completed level 2 and above cannot make a level 1 project.

Q2. Who is eligible to make level 1 project?

A: The participants who have completed only level 1 can make a Level 1 project. Also, the ongoing level 2 students can make level 1 project.

Note: The ongoing level 2 students cannot use level 2 kit components in their level 1 project. This will lead to disqualification. For more details, refer the table in the end.

Q3. Can a participant use an extra component from someone else's kit?

A: No. They are allowed to use only the set of components they get in the kit. However, they can keep a spare part with them, but it should not be a part of their project. This may lead to disqualification.

Q4. Can a participant use parts from higher level kit?

A: No. The participants only can use the kits of the category in which they are making that project. For example, if a participant has completed level 4 and he/she makes a level 3 project, he/she will not be allowed to use any parts from level 4 kit. This may lead to disqualification. However, the participant can use the kits from lower level i.e. level 1, 2 & 3 in this case. For more information, look at the table in below.

Project	LEVEL KIT				
	L1	L2	L3	L4	L5
L1 project	✓				
L2 project	✓	✓			
L3 project	✓	✓	✓		
L4 project	✓	✓	✓	✓	
L5 project	✓	✓	✓	✓	✓

✓ - The ones that are ticked can only be used.

Q5. Can a participant register with two projects?

A: Yes, they can. This is only eligible for participants who have completed level 2 & above. They cannot make a level 1 project. Also, they cannot make 2 projects of same level. For example, if a participant made a level 3 project, then he can make another project of level 2 or level 4 or level 5, but not same level.

Q6. How can a participant show his/her two projects?

A: The participant will be given two slots for the two projects. The participant needs to submit the video of both the projects, otherwise the second project will not be considered.

Q7. What if 2 participants display same project? How will the winner be decided?

A: The winner will be decided on various parameters by the judge. Idea of the project is one of the parameters. The creativity, presentation, working and application showed by a participant will help them to decide winner in all cases.

Q8. What all things a participant must present during the competition?

A: The participant must have the whole project along with all the materials and components ready.

Q9. How can a participant collect the parts that are lost/damaged?

A: The list of the components must be sent on WhatsApp to us on +91-9167630074. The parts can be collected from Ghatkopar west office. Alternatively, the parts can be couriered to the participant's place within 3 working days with courier cost applied. For courier, the list must be provided on or before 17th August. After this we will not be taking any orders for courier. Although, the parts can then be collected by visiting the office.

Q10. Can a participant assemble the project during online session?

A: No, the project must be ready before the judging session.

Q11. What should the participant explain in the video?

A: The participant can give basic information about himself/herself and how he/she came up with this idea. The participant can explain the construction, parts used, working of the project, also where it is being used or where it can be used. The video must not be longer than 3 minutes.

Q12. When is the last date to send the video explanation?

A: The last date to send the video explanation is on 20th August, 2020 (Thursday).

Q13. When will we come to know about the final slots of judging schedule?

A: The final slots will be updated as soon as we get the video submissions. It will be notified via whatsapp.

Q14. Can parents view the online judging session?

A: Yes, the parents are allowed to be in the session. However, no parent is supposed to speak on behalf of his/her child during the whole session, unless asked by the judge. The student-participant must be the only one to explain and answer to the judges. Interference of parents without permission shall lead to disqualification.

Q15. Is it a team competition or individual?

A: The competition is only for individuals and not for groups/teams.

Q16. Are there any registration fees for the competition?

A: No. The registration is free of cost for all participants. Eduprime Team does not ask for any money for registration. Beware of spam ;)

Q17. When and how will we come to know about the winners?

A: The winners will be announced on our official website, www.eduprime.com. It will be announced on 6th September, 2020 (Sunday).
